The children were engaged task fully but fun with academic and inherent unfolding activities, for nine weeks. The numerous public holidays did encourage us from reaching our academic target for every class.

➤ **MOTHER'S DAY.**

The celebration was taken to another level to a treat at CORONIA hotel. Useful educative talks on the great responsibilities towards the child's education and safety were given by Mrs. Ashimolowo and Pastor Wale respectively.

Our children also contributed their quota with a commendable song presentation.

➤ **CHESS INTRA COMPETITION**

The competition was to promote sportsmanship amongst our learners either at winning or losing a game. At the end of the game, the children won medals of gold, silver and bronze and the winners in the junior and the senior categories went home with trophies as champions

➤ **ETIQUETTE WEEK**

The knowledge on the proper ways to behave in the society at any functions. Few examples are table manners, greetings with courtesy etc. and the grand finale was role plays on different etiquettes by different classes.

➤ The children were taught a lot about the importance of fruits and vegetables. Although few of the children still came to school with snacks and freezy drinks.

➤ **OPEN DAY**

Good number of our parents visited the school to do their children's academic progress. Many opinions, commendations and suggestions were given and we gladly listened as we look for the way forward. Nevertheless, we wished that parents would make it a duty to return the questionnaire, it is imperative for us to collate them for the purpose of better service.

➤ **FATHER'S DAY**

Our super Daddies were celebrated in low key. The children sent a video of their wishes in song and poem form.

➤ **FEES**

We are indeed proud to have you all as partners; your response towards school fees is encouraging. However, we implore for consistence and prompt payment, come next session. Our discount on second child has increased to 15% and 50% on the third child. Our discount on referrals is 15% and 30% on admission .So kindly help us to boost our grass roots efforts

➤ **UNIFORM**

We have observed that some children come to school in wrong uniform; cardigan, shoes, socks, leggings and hairdo. Please let the children dress appropriately always.

➤ **MUSICAL INSTRUMENT**

The school music teacher advices that, every child should skillfully play not less than 2 - 3 musical instruments. The reason is to prepare our children for either local or international musical concert in future. Parent can pick their/child's choice amongst these: piano, trumpet, clarinet, guitar and violin.

➤ **UTILITY DAMAGE**

The school has recorded a great loss of learning materials, toys and other properties by the hands of the pupils. Henceforth, the management will place a charge of utility damage on any child that carelessly destroys any of the utility in school.
